Our Story

Dapur Malaysia is a tribute to mum, my teacher and inspiration. Growing up in Malaysia gave me a love for food and beautiful ingredients, packed with colour and crafted to create unique dishes that pay homage to the diversity of my home country.

Food is so important to Malay people and mum was renowned for her natural flair. The Dapur Malaysia menu is made up of recipes handed down and my own adaptations, to enjoy together and share the joy of authentic South East Asian food.
